OAS (Office Action Summary) mailed 08/03/2004  
Docket No.: PAT6C

Dear Mr. Barfield,

2004-08-18

Thank you for your explanation, listed in OAS I receivdy yesterday, regarding Group I and II.  
I made today an attempt to call you, in vain.

Since Mrs. Deanne L. Draper from Art Unit 3616 has already examined my anti-submarining seat-belt assembly appl. of 10/690,742, I don't need the Group II anymore. I am preparing for substituting the claims of Group II and fax to you the substitute claims in single and double space before the deadline, probably at the weekend.

The substitute claims in single and double space will be mailed together with the substitute appls of 09/554,463, 10/690,740, 10/690,741 and 10/690,742 to USPTO in the first week of Sept.

If you have objection please forward me a facsimile.

Thank you in advance.

kind regards

Go
